

Certificate Dräger Academy Knowledge for real life

Employer of the participant:
SIA 'Regardes'
Riga

Mr. Jurijs Kornatovskis

took part in a **Special seminar Fire and Gas Detection Systems** and has been instructed in standard procedure, service, maintenance and repair of the following devices:

- VarioGard
- Flame 2x00
- Flame 5000
- SAM 3x00

The course was conducted in Lübeck from July 31, 2017 to August 3, 2017

The training course included theoretical and practical instructions. The participant was given the opportunity to learn the specific knowledge and handling, which are necessary to fulfil the service at the aforementioned devices according to the internal Dräger documentation independently and on his own responsibility.

This certificate is only valid as long as the participant is employed at a Dräger Safety company or at a licensed distributor.
